

## Nomination Statement for Murray Smith for Re-Election to the Committee of Management

MURRAY SMITH

I have served on COM since late 2017, almost 7 years as treasurer.

Previously my work experience included being office manager and bookkeeping for several companies for about 30 years. So I am familiar with what is required in this role, processing the entries into the Quickbooks accounts, and liaising with our external accountant.

Also, for the past 3 years I have managed the program committee. My aim on PSC has been to make improvements to ensure we connect with our local community and satisfy our license requirements.

I have been a presenter since 2011 and have done over 1400 programs.

Murray Smith
